CLEANING FOR HEALTH

ABOUT US

Service Keepers Maintenance, Inc. is a family owned and operated commercial janitorial company serving South Florida for over three decades. We are serious about public health, the safety of our clients and the well-being of our employees. This is why our long-standing intent has always been to clean with the purpose of providing a safe environment, and it will continue to be our focus for many more years to come.

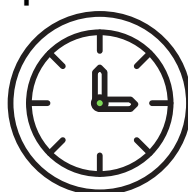

Did you know?

Service Keepers is certified by the Global Biorisk Advisory Council (GBAC) to prevent and respond to the outbreak of infectious diseases in facilities. We are here to help safeguard the health of students, faculty and staff through our cleaning-disinfecting methodology and protocols.

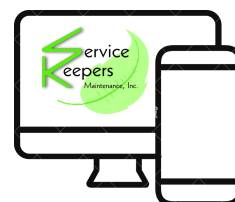

CLEAN

Service Keepers is committed to providing outstanding quality cleaning across all educational facilities.

MEASURE

We aim to clean for health because cleaning for perception is just not enough. Through Measuring the effectiveness of cleaning practices, we can further improve the quality of service.

MONITOR

Through proper evaluation of our standard cleaning procedures, we can enhance our performance. Monitoring methods include thorough electronic inspections and continuous employee training.

TESTIMONIALS

As active members of the American Hospital Association (AHA), Service Keepers crew members are extensively trained in using industry standard cleaning and disinfection procedures. Our school has never been safer!
